

LITTLE CUBS FIELD

SEAT PLATES PROGRAM DETAILS

- 1) COST FOR EACH SEAT PLATE IS \$35. You may buy as many as you like. Seat plates will go on the front of individual bleacher seats that are now placed along the first and third base lines at Little Cubs Field.
- 2) You can designate which bleachers (first base or third base) you want your seat plate located. The seat plates will be placed randomly in each seating area. There are 5 rows in each bleacher, with 20 seats in each row. That means there are only a total of 200 seat plates available.
- 3) Seat plates will be of brass, 3" wide by 1" inch high, engraved with the message or names of your choice. There is room for 3 lines, 20 characters each line, on each seat plate.
- 4) Please fill out the Seat Plate form below, and mail to Little Cubs Field, 660 Sioux Drive, Freeport, Il. 61032. Checks should be made out to Little Cubs Field/seat plate. Checks must accompany the seat plate forms.
- 5) If buying more than one seat plate, you can request they are next to each other. These may not last long!
- 6) Note: Purchasing a seat plate does NOT mean you have that particular seat always reserved for you when you want to watch an event at the field. You will have to convince the person sitting there to let you use it. Be nice!
