 16-Blitzstreet Boys 17-Mexico 18-Team Directors 19-Island City Tropics 20-Danville Hoodlums 21-Redbirds 22-Rhino Liners
 23-Wellsville Tigers 24-Dingers**

Teams 1-4 are Pool A, Teams 5-8 are Pool B, Teams 9-12 are Pool C, Teams 13-16 are Pool D, Teams 17-20 are Pool E, Teams 21-24 are Pool F. (Pool groups are on separate document)

Note—All teams get one game in pool play at Little Cubs Field, and after that it is random

There are fewer games at the other 3 fields because 12 games have to be played at LCF, causing the unbalanced schedule. The second team listed is the home team, and each team is home for at least one game. Random draw was used to determine which teams had 2 home games and 1 visitor game.

The names of the Pools (a, b, c, d, e, f) are just used to label each pool, and do not reflect the abilities of each team. The other baseball fields are just a few hundred feet from Little Cubs Field. We will have a concession stand near the lower fields. Bathrooms available in all areas, including handicapped accessible. The Little Cubs Field gift shop will be open, so get your souvenirs. There is a shelter near the 3rd base line with electricity. No alcohol is allowed anywhere, but food may be brought in.

We use official Blitzball bats and balls.

Little Cubs Field has had National attention in the media, being featured on ESPN, Comcast Sports Net, CBS, CNN, PBS Radio and TV, WGN, WBBM, mlb.com, cubs.com, Chicago Tribune, and dozens of other media outlets. We hope your experience will be unforgettable for both your players and all who watch the games. Play Ball, and pray for good weather!

HOMERUN DERBY--\$10 FOR ENTRY FEE FOR EACH PLAYER. Saturday night , time will be announced, right after the championship game if there is time. This is for participants in the tourney only. We may have a limit as to number of entries. Trophy for the winner. Top 2 and ties advance to final round.

Derby is similar to mlb hr derby. You get certain number of outs(dependent on # of entries), and can hit as many homers as possible before those outs are reached.

Any ball swung at that is not a homer is an out. Supply your own pitcher, pitching from at least 36 feet, overhand. Only 3 pitches can be taken, then the rest are outs. Your pitcher should lob in good pitches.
