Everyone is guaranteed a game at Little Cubs Field, There are fewer games at the other 3 fields for this reason, causing the unbalanced schedule. The second team listed is the home team, and each team is home for at least one game. Random draw was used to determine which teams had 2 home games and 1 visitor game.

The names of the Pools (a, b, c, d, e) are just used to label each pool, and do not reflect the abilities of each team. The other fields are just a few hundred feet from Little Cubs Field. There is a concession stand in the Quadplex a few feet from diamonds 1-3. Bathrooms are available in all areas, including handicapped accessible.

We use Blitzball balls and bats.

Little Cubs Field has had National attention in the media, being featured on ESPN, Comcast Sports Net, CBS, CNN. WGN, mlb.com, cubs.com, Chicago Tribune, and dozens of other media outlets. We hope your experience will be unforgettable for both your players and all who watch the games. Play Ball, and pray for good weather!
